Servo Extension Cable – 30cm / 12" long –
PRODUCT ID: 972

DESCRIPTION   −

Stretch out your servo connections with this flexible servo extension cord. It has a 3 pin shrouded "male" connection to plug your servo into and then, 30cm later, a 3 pin female connection. It even keeps the common red/black/white color coding. A great add-on to our 16 channel PWM/Servo driver and goes with all the servos we carry.
